

Indiana University Health

Health & Safety Training Institute

Upcoming Seminars / Courses for 2012:

- April 17** **DOT Reasonable Suspicion**
- Where:** 4850 West Century Plaza Road, Suite 140 - Conference Room
Time: 8:00 a.m. – 10:00 a.m.
Cost: \$80
- This course will provide guidelines for Reasonable Suspicion determination by supervisors of employees in safety-sensitive positions. The training includes the physical, behavioral, speech and performance indicators of probable alcohol misuse and use of controlled substances as required by the Department of Transportation.*
- April 19** **Respirator Fit Test Training**
- Where:** 4850 W. Century Plaza Rd, Ste 140 Conference Room
Time: 8:00 p.m. – 12:00 p.m.
Cost: \$285.00
- This course enables you to identify requirements of the OSHA respiratory protection standard. The participants will also be able to distinguish between qualitative and quantitative fit testing, and demonstrate for appropriate steps of qualitative fit testing. There will also be training of the different types of respirators and their function.*
- May 2-3** **NIOSH Approved Spirometry Training Course**
- Where:** 4850 West Century Plaza Road, Suite 140-Conference Room
Time: 8:00 a.m. – 5:00 p.m.
Cost: \$575.00
- This two-day program is designed for individuals who will conduct spirometry testing for Industrial and construction workers. Successful completion of this course will satisfy NIOSH training requirements for testing individuals' exposed to cotton dust, asbestos, and other harmful materials, as well as meeting the requirements for OSHA's Cotton Dust, Coke Oven Emissions, and Asbestos Standards.*
- May 4** **NIOSH Approved Spirometry Recertification Training Course**
- Where:** 4850 West Century Plaza Road, Suite 140-Conference Room
Time: 8:00 a.m. – 5:00 p.m.
Cost: \$340.00
- This course is designed for previously trained and experienced individuals who require NIOSH approved spirometry re-certification. The course content provides a comprehensive review of proper testing procedures, instrument requirements, acceptable sessions, and spirometry interpretation.*

May 23

Tuberculosis Training Course

Where: 4850 West Century Plaza Road, Suite 140 - Conference Room
Time: 1:00 p.m. – 5:00 p.m.
Cost: \$70.00

This course offers the American Lung Association TB Education program. Upon successful completion of this course, attendees will be able to correctly administer, read and record a Mantoux skin test and receive a validation card.

July 18-20

Hearing Conservation & Certification Course

Where: 4850 West Century Plaza Road, Suite 140 - Conference Room
Time: 7:30 a.m. – 5:00 p.m.
Cost: \$575.00

This course is developed especially for occupational health nurses, safety and human resource directors, industrial hygienists, and others actively engaged in implementing occupational hearing conservation programs. Successful completion of this course qualifies individuals to conduct hearing testing for industry, provides information for establishing and maintaining effective hearing conservation programs, and will be certified as Occupational Hearing Conservationists by CAOHC.

July 19

Hearing Conservation Re-Certification Course

Where: 4850 West Century Plaza Road, Suite 140 - Conference Room
Time: 7:30 a.m. – 5:00 p.m.
Cost: \$340.00

This course is developed especially for previously trained and experienced hearing conservationists who require CAOHC re-certification. The course content provides a comprehensive update of knowledge, technology, and current regulations applying to the specialized field of hearing conservation.

Aug. 1-2

NIOSH Approved Spirometry Training Course

Where: 4850 West Century Plaza Road, Suite 140-Conference Room
Time: 8:00 a.m. – 5:00 p.m.
Cost: \$575.00

This two-day program is designed for individuals who will conduct spirometry testing for Industrial and construction workers. Successful completion of this course will satisfy NIOSH training requirements for testing individuals' exposed to cotton dust, asbestos, and other harmful materials, as well as meeting the requirements for OSHA's Cotton Dust, Coke Oven Emissions, and Asbestos Standards.

Aug. 3

NIOSH Approved Spirometry Recertification Training Course

Where: 4850 West Century Plaza Road, Suite 140-Conference Room
Time: 8:00 a.m. – 5:00 p.m.
Cost: \$340.00

This course is designed for previously trained and experienced individuals who require NIOSH approved spirometry re-certification. The course content provides a comprehensive review of proper testing procedures, instrument requirements, acceptable sessions, and spirometry interpretations.

Aug. 29

Tuberculosis Training Course

Where: 4850 West Century Plaza Road, Suite 140 - Conference Room
Time: 8:00 a.m. – 12:00 p.m.
Cost: \$70.00

This course offers the American Lung Association TB Education program. Upon successful completion of this course, attendees will be able to correctly administer, read and record a Mantoux skin test and receive a validation card.

Sept. 12

Heartsaver CPR & First Aid

Where: 4850 West Century Plaza Road, Suite 140 - Conference Room
Time: 8:00 a.m. – 5:00 p.m.
Cost: \$55 per person per class/ \$100 per person for both classes

This course fulfills mandatory OSHA/company requirements. It ensures your staff is using proper procedures to perform CPR and 1st Aid. This course also updates your CPR and 1st Aid certifications.

Sept. 18

DOT Reasonable Suspicion

Where: 4850 West Century Plaza Road, Suite 140 - Conference Room
Time: 8:00 a.m. – 10:00 a.m.
Cost: \$80

This course will provide guidelines for Reasonable Suspicion determination by supervisors of employees in safety-sensitive positions. The training includes the physical, behavioral, speech and performance indicators of probable alcohol misuse and use of controlled substances as required by the Department of Transportation.

Sept. 20

Respirator Fit Test Training

Where: 4850 W. Century Plaza Rd, Ste 140 Conference Room
Time: 8:00 p.m. – 12:00 p.m.
Cost: \$285.00

This course enables you to identify requirements of the OSHA respiratory protection standard. The participants will also be able to distinguish between qualitative and quantitative fit testing, and demonstrate for appropriate steps of qualitative fit testing. There will also be training of the different types of respirators and their function.

Sept. 26-27

NIOSH Approved Spirometry Training Course

Where: 4850 West Century Plaza Road, Suite 140-Conference Room
Time: 8:00 a.m. – 5:00 p.m.
Cost: \$575.00

This two-day program is designed for individuals who will conduct spirometry testing for Industrial and construction workers. Successful completion of this course will satisfy NIOSH training requirements for testing individuals' exposed to cotton dust, asbestos, and other harmful materials, as well as meeting the requirements for OSHA's Cotton Dust, Coke Oven Emissions, and Asbestos Standards.

Sept. 28

NIOSH Approved Spirometry Recertification Training Course

Where: 4850 West Century Plaza Road, Suite 140-Conference Room
Time: 8:00 a.m. – 5:00 p.m.
Cost: \$340.00

This course is designed for previously trained and experienced individuals who require NIOSH approved spirometry re-certification. The course content provides a comprehensive review of proper testing procedures, instrument requirements, acceptable sessions, and spirometry interpretation.

Nov. 9

Tuberculosis Training Course

Where: 4850 West Century Plaza Road, Suite 140 - Conference Room
Time: 8:00 a.m. – 12:00 p.m.
Cost: \$70.00

This course offers the American Lung Association TB Education program. Upon successful completion of this course, attendees will be able to correctly administer, read and record a Mantoux skin test and receive a validation card.

Nov. 28-29

NIOSH Approved Spirometry Training Course

Where: 4850 West Century Plaza Road, Suite 140-Conference Room

Time: 8:00 a.m. – 5:00 p.m.

Cost: \$575.00

This two-day program is designed for individuals who will conduct spirometry testing for Industrial and construction workers. Successful completion of this course will satisfy NIOSH training requirements for testing individuals' exposed to cotton dust, asbestos, and other harmful materials, as well as meeting the requirements for OSHA's Cotton Dust, Coke Oven Emissions, and Asbestos Standards.

Nov. 30

NIOSH Approved Spirometry Recertification Training Course

Where: 4850 West Century Plaza Road, Suite 140-Conference Room

Time: 8:00 a.m. – 5:00 p.m.

Cost: \$340.00

This course is designed for previously trained and experienced individuals who require NIOSH approved spirometry re-certification. The course content provides a comprehensive review of proper testing procedures, instrument requirements, acceptable sessions, and spirometry interpretations.

Dec. 5-7

Hearing Conservation & Certification Course

Where: 4850 West Century Plaza Road, Suite 140 - Conference Room

Time: 7:30 a.m. – 5:00 p.m.

Cost: \$575.00

This course is developed especially for occupational health nurses, safety and human resource directors, industrial hygienists, and others actively engaged in implementing occupational hearing conservation programs. Successful completion of this course qualifies individuals to conduct hearing testing for industry, provides information for establishing and maintaining effective hearing conservation programs, and will be certified as Occupational Hearing Conservationists by CAOHC.

Dec. 6

Hearing Conservation Re-Certification Course

Where: 4850 West Century Plaza Road, Suite 140 - Conference Room

Time: 7:30 a.m. – 5:00 p.m.

Cost: \$340.00

This course is developed especially for previously trained and experienced hearing conservationists who require CAOHC re-certification. The course content provides a comprehensive update of knowledge, technology, and current regulations applying to the specialized field of hearing conservation.
